We are now in week 5 of our #GospelCenteredSummer Series of a 'Gospel-Centered Life for teens'. I am really encouraged by our first weeks and very thankful for such a Biblical yet easy resource to use this summer. It does a great job of asking the right questions to expose our wrong beliefs, lack of belief, and sin in order to direct us to the firm foundation of the gospel. Left for this summer is lessons on 'Repentance', 'Heart Idolatry', 'Mission', 'Forgiveness', and 'Conflict'. With some great material left to cover I hope that your student will stay connected this summer with us through this study. Those who lean in it will make an impact.

Each Monday morning this summer (minus the 6th and 13th of this month) we are meeting at Chic-fil-a for our Summer book study. It has been a joy to read and discuss so far the book 'Radical' by David Platt. It has been a challenge and joy to read; I encourage all of you to pick this book up and read it.

Student Life at Daytona Beach is coming quickly, just two weeks away. By this point we are all ready to go with everything done. All that is left is to show us at the church campus July 13th at 7:45am to go. We are really excited to be going back to Daytona Beach this year. I am certainly praying the Lord's work of drawing our students closer to himself for His glory and our joy. Please join me in that prayer for our group this year.

The next upcoming big event for this year is that we will be attending (after Student Life) 'Rock the Universe' Sept 11-13th. This is a weekend at Universal Studios/ Islands of Adventure, Orlando, FL with evenings of concerts. Go to our website or RocktheUniverse.com for more information. Sign-up has begun so bring in a deposit for \$50 to reserve a spot on the bus (limited space). More information and ticket prices will be up on the website soon or in the resource center in the SB as it comes available.

Enjoy this summer with your student and delight in Jesus Christ.

In Christ,
Pastor Ben
